

YUKON CANOE & KAYAK CLUB

c/o 4061 Fourth Ave., Whitehorse, Yukon Y1A 1H1

Yukon Canoe and Kayak Club is very excited to announce the hosting of

**Mr. Corran Addison
World Expert Kayaker
Sept 5th to 11th, 2017**

Corran has been an innovator, competitor, paddler, boat designer, business owner and BIG TIME mover and shaker in the kayaking world for over 30 years.

He was a top level World Freestyle kayak competitor and slalom kayaker in the 1992 Olympics. Corran worked for many companies designing cutting edge kayaks, SUP boards and surfboards. His designs changed the kayaking world forever.

He was the founder of Riot Kayaks, Imagine Surf, and now **Soul Waterman**. He has recently pioneered production of 1 of a kind Custom whitewater kayaks for whatever you can dream up.

YCKC would like to recognize the contribution of **YTG Sport and Recreation - YRAC** and **YS4L** funds for making this happen. Also thank you to **SUP Yukon** and **Yukan Canoe** for donating use of SUP (Stand Up Paddling) equipment.

Cost \$100/person. We are **not** booking individual sessions unlike last year. Below is a rough schedule of sessions registered paddlers may attend. Participants must also be paid YCKC members. See yckc.ca/membership for details.

It is every paddler's responsibility to ensure all are getting enough training/attention. If you are attending many sessions and you notice things are crowded maybe sit back in that session and let others participate. Please use your discretion. We have no way to know people's schedules beforehand, and it takes a huge amount to coordinate for everyone.

Corran is here from 4pm Sept 5 until noon Sept 11. This schedule can be tweaked. Juniors please attend after school as that is when you are available.

Registration/payment form will be accessed from YCKC Facebook Page the link will be up by Thursday Aug 31 afternoon.

Corran will have a Soul Waterman demo kayak model "Main Squeeze" which will be **for sale** for \$700US after the clinics are finished.
